Amidala is getting ready quickly, today was a holiday. All of her people were in celebration. She was nervous, Anakin was coming. Last time she had seen him he seemed different and older.

—

Everytime you're near baby

I get kinda crazy in my head for you

I don't know what to do

—  
After she had seen him on Courusant she couldn't get her mind off of him.

—  
And oh baby

I get kinda shaky when they mention you

I just lose my cool

—  
'Obi-Wan and Anakin are landing soon,' Sabe told her. Which made her even more nervous.

—  
My friends tell me

Somethin has come over me

And I think I know what it is

—  
'Anakin has grown up to be quite a handsome young man,' Sabe said. Amidala just nodded as she bit her lip.

—  
I think I'm in love

—  
Amidala had never felt like this before. There was only one thing that could make her feel this way.

—  
Boy I think that I'm in love with you

I've been doin silly things when it comes to you

In love, boy I think that I'm in love with you

I've been tellin all my friends what I feel for you

—  
'Let's meet them' Sabe` suggested. 'Yes' Amidala told her friend. As she made her way to the door she tripped over a chair. She had been thinking about Anakin not where she was going.

—

Just the other night baby, I saw you hangin

You were with your crew

I was with mine too

You took me by surprise

When you turn and look me in my eyes

Boy you really blow my mind

—

Last time she had saw Anakin he had looked in the eyes, which gave her chills all over.

—

I don't know what's gotten into me

But, I think I know what it is

All these feelings were driving Amidala crazy.

I think I'm in love

—

But then being in love and crazy were pretty good.

—

Boy I think that I'm in love with you

I've been doin silly things when it comes to you

In love, boy I think that I'm in love with you

I've been tellin all my friends what I feel for you

—

'What is with you?' Sabe` asked. Sabe` could see her friend's cheeks turn red even with the white makeup. 'Oh my' she said once she realized it. 'You have a thing for Anakin'. Amidala didn't yes, but she didn't say no.

—

Boy I think that I'm in love with you

I've been doin silly things when it comes to you

In love, boy I think that I'm in love with you

I've been tellin all my friends what I feel for you

—

'Alright, I think I am love' Amidala admitted to her. 'Just don't tell,' she didn't want anyone else to know. She was embarrassed, but she didn't know why.

—

Somethin strange has come over me  
Got me goin out of my mind  
Never met a guy like you before  
You make me feel special inside

—

The two finally go to the hanger. Obi-Wan and Anakin were already out of their ship. 'Amidala,' Anakin said once he saw her. He hugged her.

—

I think I'm in love

—

She pulled away and looked him in his blue eyes. She got chills again by just being near him.
